## **Mokupāpapa Discovery Center**

*76 Kamehameha Avenue, Hilo*

» For all ages!

## **Jeweled Anemone Hermit Crab**

**Mokupāpapa Discovery Center and Kilauea Pottery present our series of monthly family craft nights.**

- This month we will be color glazing a custom clay figurine of a Jeweled Anemone Hermit Crab. This colorful crab lives in a borrowed snail shell and decorates the shell with anemones. It is found throughout the Hawaiian Islands, including in Papahānaumokuākea Marine National Monument.
- Along with the fun fact sheet you will receive, we will also have an educational video playing while you are glazing.
- Sign up early due to a limited supply of figurines.

**\$12.00 per figurine**

*Please preregister online at [kilaueapottery.com](http://kilaueapottery.com), or call 731-6614, or visit them at 46 Waiānūenue Ave.*
